Linkedin: <https://www.linkedin.com/in/mylenavendramini/>

GitHub: <https://github.com/mylenavendramini>

Front-End web developer, specialized in JavaScript, dedicated and driven by challenging work. Passionate and curious to learn new skills and try different technologies.

WORK EXPERIENCE

Toda Cidadã | January 2021 - current

I am responsible for the whole webpage of Toda Cidadã, an NGO that aims to promote debates about politics, economics and constitutional rights. Currently maintaining Toda Cidadã's website using HTML, CSS, and JavaScript.

Front-End Freelance | February 2022 - current

Working as a Front-End Freelance, building solutions with JavaScript, React and Node.js.

PROJECTS

PORTFOLIO | Front-End Developer | 2022

My portfolio website, easy to use and predictable. Also, a responsive website, as are all my projects. Used HTML, React.js, Styled Components, Figma and GitHub.

THIS AUTHOR | Front-End Developer | 2022

First website I created using React JS and Styled Components. The client is an author who exposes her books on a website that represents her personality.

TRAVEL WITH ME | Front-End Developer | 2022

Travelling website, where I mainly used JavaScript.

TODA CIDADÃ | Front-End Developer | 2022

I created the webpage of Toda Cidadã from scratch and I am constantly doing the maintenance, using HTML, CSS, JavaScript and GitHub.

PROJECT LIST | Front-End Developer | 2022

Small project using Typescript.
